

Isaiah 59:1

Jesus helps us everyday!

Discussion

What can you do to help others?
Which part of our bodies help us to pick things up?

Song: (Tune Twinkle, Twinkle Little Star)

Thank you, thank you, Lord above,
For your blessings sent with love.
I want to live my life anew,
As a thank-you just for you,
Thank you, thank you, Lord above,
For your blessings sent with love.

Craft

There are two steps in this craft. First, let them trace their left hand on white paper and color it in. Then help them to make handprints on another piece of white paper. This time use the right hand. Let them cut both out and stick it on black paper. You can then write for them: My hands can help others!

Worksheet activity

Let them draw lines to the correct picture. Tell them what each one is.

Game

Play the following:

- Arm wrestling competition.
- Stretch as far as you can – measure each tries.
- Play clapping games.
