

Salt Clay (Bakeable)

Get together:

2 cups plain flour

1 cup salt

1 to 1 1/2 cups cold water

2 tablespoons cooking oil

Steps:

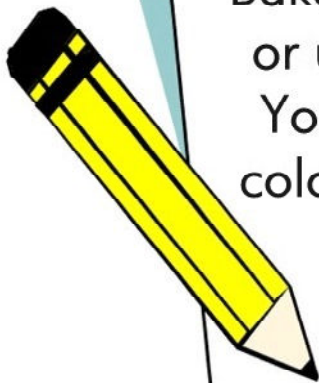

Knead well until it forms a soft ball.

Line a baking tray with aluminum foil,

Make the shapes you want

Bake in the oven at 300 degrees
or until hard (about one hour).

You can use food coloring to
color dough before you bake it,
or paint it afterwards.
